“ To the Pado Family  
My deepest sympathies.  
Bernie loved her family. The children were well known at Northwest Airlines Reservations. Can't count the many gifts she gave me. Still have a picture of some beautiful flowers. What a kind loving full of laughter woman she was. Proud to have had her in my life.  
God's Blessings

“ To the Pado family,  
Please accept my deepest condolences. Bernie was a friend of mine since high school and was a wonderful and friendly person. We talked on the phone every so often, the last time was about a month ago. It was always fun catching up with each other. I am so terribly sorry.

“ To the Pado Family,  
Please accept my deepest condolences on the passing of Bernie, a true friend of mine. I had the pleasure of meeting her when we worked together at the airlines in the mid-80s and we remained friends since then.  
  
Even though our schedules were busy, we tried to get together to meet for a meal, go to the casino or just chat on the phone catching up with one another.  
  
Bernie was a true and loyal friend and she will be sorely missed. I am glad I had the chance to know this wonderful lady.  
  
Rest in peace, my friend,  
Tessie

Her and her beloved Bob are together once again.
