

## Carole Therese Poole

July 1, 1958 - December 5, 2020

Carole Therese Poole went home to be with her Lord and Savior Jesus Christ on December 5, 2020 at the age of 62. She was the beloved wife and soul mate of Dan for 36 years, loving mother of Daniel Jr., Christopher and David, dear daughter of Carole Yucha and the late Stanley, sister of Steve and Dave Yucha. Carole was born in Grosse Pointe, MI on July 1, 1958.

Carole loved to travel and have fun. She was instrumental in planning over thirty family vacations while raising her three sons. Plus, she would travel with them individually as well. Carole enjoyed working with her hands and doing projects around the house with her sons. Since she chose to be a stay at home Mom, often she would stay up late having deep talks with her young men guiding them through life's journeys. Her passion outside of raising and loving her three children, was marriage ministry, and she had the privilege of mentoring numerous wives in their marital relationships. Those that knew Carole described her as one of the most loving, kind and compassionate individuals they have ever met. She was a 'loving Grandma' to many!

Visitation is at 2:00pm and the funeral service is at 3:00 pm on Sunday, December 13th at Oak Pointe Church Milford, 1250 S. Hill Rd. Milford, MI 48381. The service will be live streamed at [opcmilford.org/funeral](http://opcmilford.org/funeral). All CDC protocols will be honored and masks must be worn at all times. “ Dan and Carole have been our dear friends for many years. We so enjoyed being with them on their wedding day to celebrate a beautiful couple strongly desiring to honor the Lord and be used of Him from the very beginning. Although we lived in different states, my husband and I enjoyed many visits with them in our home over the years. They have been such faithful, supportive encouragers! They have walked through our ups and downs with us, always caring and praying. Their fellowship has been a rich treasure. Carole was always gracious, kind and loving. She listened and cared about everything I had to say and often offered good perspective and wisdom with such a gentle spirit. I always enjoyed hearing about the many church friends she and Dan had and how they loved to encourage couples in their marriages through close fellowship and special marriage classes they taught. Carole was an amazing supportive wife to Dan. They have been a powerful example of a sweet beautiful couple, loving God, loving each other, and loving others together. She was a lovely wife and mom, totally devoted to her family, making life better and sweeter always. I know she loved them with all her heart and was an amazing example to us all of what it means to be a true blessing to your family in every way. My heart is sad today, just now hearing this news, for I know Dan and their loving sons will miss her so very deeply. I can remember the cheerful chatter when the boys were young and the whole family came to visit! They would all be talking at the same time, solving the problems of the world. I can still picture her listening quietly with such interest, and laughing when the humor came out. I know her boys are good men today in many ways because of her godly influence and consistent, steady love for them. It has been said, “ When someone leaves us, it creates such a hole in our hearts and lives. But some people leave a crater.” Many many will miss her including us. Dan, Daniel, Chris, and David, we are aching with you in this loss. We love you. How inspiring is the truth and hope we find in the amazing living Word of God- that Jesus is the Resurrection and the Life. Those who believe in Him, though they die,- will live!!! And whoever believes in Him will live again and never die! They will enjoy heaven forever with their Creator and the Savior of the world. He rose from the grave and so do we, if we know Him and put our faith in Him alone for forgiveness of the sin that separates us from Him. He paid for that sin when He died on the cross for us over 2000years ago. Carol was filled with peace and joy and love because she truly believed this and really knew Him. And to be absent from the body is to be present with the Lord! Although she will be greatly missed by all of us, she is experiencing the very presence of God right now and reuniting with many believers and loved ones who are already there! The greatest way we can honor her now is to follow her Lord and her example, to make sure we really know Him too. This would be her greatest desire for all who loved her; to call out to Him and be saved. Then, praise God, we will see her and enjoy heaven with her forever ! This is true hope in a dark world. I am so glad I had the privilege to be a friend of Carole Poole.

“ Happy times

“ Carole's name was so fitting for her. She loved to sing and worship the Lord and I am grateful for the time I had to sing with her. I remember her teaching us to cook during Apples of Gold, doing her 'Julia Child' impression. It's beautiful that she has gifted her sons with her delightful sense of humor. Carole was a blessing to so many people, she will be deeply missed.

“ We met Carol during the loss of Dan's Mother and Carole's Mother in-law Gail. I wished it would have been under better circumstances. We are so glad to have known Carole and spend time with her. Carole was adored by us all. I loved her smile and her hats she wore with confidence. She was generous and had this sweet nature about her. She was just an all around beautiful person inside and out. We were so blessed to have known her. She had this way about her that she just lit up a room with her smile. This candle is for her in likeness of her smile lighting up a room.

“ This great lady will be missed by so, so many people. She and Dan helped our family through a painful time and were there for us with love and support. I will always remember her calm demeanor and her great kindness. My world is a colder place without her but I know I'll see her again one day.

“ My favorite memory is going to church every Thursday night to watch the praise team practice. Back then there was Glenda, Rae, and Carole. Just listening to them sing brought me closer to God. I miss those special Thursday evenings.
