“ I wanted to share a story about your Dad. We worked together at Honeywell. He was a good man and was the corporate Field Administrator for the Detroit offices. He was very kind and helpful to me when 2 weeks after my son passed away, he welcomed me as I was promoted to Branch Sales Manager. One thing he told me about his children was how as a father he always let them make the decisions from little ones each day yo bigger ones as they grew. He told me that he believed in you trained them young to make decisions, you would not have to worry about them when they got older. A few years ago I reached out on FB but he must have been sick at the time. Just wanted to say God Bless your family and keep remembering your Dad!

“ Dave was always welcoming me with each visit to your home- whether to spend the night or dinner together. I miss him saying (with a hug & a kiss), "Hey, Susie, cmon in! Want a beer, water, coffee, milk?" Whatever I needed Dave was prepared to offer me. He consoled me and comforted me and shored me up a million times with his "you can do it" perseverance attitude. I miss you like crazy, my friend! He is still the perfect partner for my best friend Sheri. They are equal in caring for others, generosity, love, goodness, graciousness, good times and laughter, hope and faith. As Dave lives now in God's everlasting ever loving care- out job is to make sure we care for his dearly beloved wife, Sheri. xoxo

“ David, you were my rock, my world, my everything, I will never be the same without you!
You taught me how to love like no other. If I had the chance to take care of you again I would jump at the chance. Our LOVE story was not to end this way. I will always LOVE YOU and NEVER FORGET YOU. Your wife, Sheri
