“ My heartfelt sympathy and most sincere condolences going out to my much loved friend Deah and to the entire family. Demetrius and I were attending Walsh College in Novi at the same time back in the early 2000's. It was always a pleasure talking to him. He had a strong desire to succeed in his life, a positive, upbeat attitude, and worked hard to realize his goals. In his short lifetime, he achieved all that and more. Demetrius was taken from this world far too soon, but will live on in his sons, Nik and Liam.

“ My son was to be the best man for "Meter" and Katie. My son was in the military and got called to service.  
I was asked to stand in for my son. To this day I have never experienced a more enjoyable, or important honor.

To Katie and the boys, you are, and will remain, in my prayers.

To Deah and Jim, take great pride in the raising of a very good Son, to a a very good man.
