Den,

I's only been a month since you passed - every day I miss you so much. The days are lost without you. You cared more deeply than most know, they remember your laughter and your constant upbeat personality, but I know how deeply you cared for your friends. The very special love you had for your family. Certain friends always on your mind, Joe & Mary Ellen, Mike, the special friends for McDonalds (the men's club)' You were always concerned if someone didn't show up-especially Fred, your old boss from the Post Office. Of course there was George, Ray, Dan & Tom (you admired him so),there was Frank, John. I know I can't remember all the names, as I was not allowed at the men's gathering, which was fine - I didn't mind at all - it was your special gathering. Then there was the special the gathering at Warfield were you were good friends with Ken & Angela, Of course Can't forget Corvett Ken, who you loved to play with, they were special to you - they knew you couldn't play at the end ,but they still enjoyed your upbeat personality and laughter. You touched a lot of lives and left them happier for it - I had almost 50 year with you - know one understood what we had together, and that's as it should be. I look forward to playing golf with you again - we have an eternity to perfect our swing - when we we are not doing the great work God has set forward for us (remember Tom Kirwan's plaque you quoted to Patty) before your final days here on earth with us. Our special farewell. LOVE ALWAYS - your Moni

It is with my deepest sorrow I was unable to visit my friend and long time patienton the first day of May. To Monica his beloved wife,all of us at my office were stunned at the news. We all loved him. As doctors, we learn from the people who come to us and it is a trusted gift that we learn. Dennis was always kind to my staff and Dr. Amy loved to see him and she is heartbroken. Dennis was a man of respect and caring, he was Navy! He cared deeply for Monica. Dennis is gone. God bless him.

Drs. Anthony and Amy Cardellio and all our staff.

“ Aunt Monie,
I have such fond memories as a kid of spending time with you and Uncle Dennis. Uncle Dennis was fun to be around, had a quick smile, and liked to laugh. He will be sorely missed by all of us who loved him.

“ I am so saddened by the passing of my Uncle Dennis. My childhood was full of countless sunny summer days and warm evenings spent with him, when he and my Aunt Monica would welcome my siblings and me into their home for fun at the pool, movie-watching during sleepovers (for some reason the one I remember most clearly is Bill and Ted's Excellent Adventure), burgers on the grill, and most importantly, many memories that I still cherish today. Uncle Dennis was always quick with a joke and wanted to make sure anyone around was part of the conversation. And if he ever got angry about any little nephews getting sick behind his fence after swallowing too much pool water, I never heard about it.

I will miss Uncle Dennis and will be praying for him, his family, and everyone he impacted throughout his life and who are now grieving this loss.

“ Aunt Monie,
Uncle Dennis was always at all our events growing up, our Baptisms, First Communion, birthdays, holidays, and graduations. He was so generous in sharing his time with us. We will miss him. May perpetual light shine upon him.

“ On behalf of the Capuchin brothers I offer my deepest sympathies on the passing of Dennis. It is truly humbling to receive memorial donations in honor of Dennis's life. Please be assured of the brother's prayers for the entire Ashley family during this great time of grief. May perpetual light shine upon Dennis.
