“ Mike was truly a kind and generous person. I have many good memories of Mike as a friend and parishioner at St James. He was always upbeat and optimistic - always with words of encouragement. Whether at Mass or other parish functions, he was a joy to be. His enthusiasm was contagious, and you wanted to give your best when you were with him. Mike will be missed here in this world, but now he is in his true home with the Lord.
Rest In Peace Mike

“ Very sorry to learn about Mike's passing. Mike & I started about the same time as mechanical engineers at Detroit Edison in 1970 & we spent the next 6 years in the same work group, collaborating on several projects in that time. We were one year & one day apart in age. I learned a great deal from Mike, had fun in the process and we formed a good friendship as well. Had great respect for his abilities & his drive. Not surprisingly, he went on to great accomplishments. Thanks for the mentoring and the many laughs, Mike. God bless.

“ Mike always had a smile on his face, and made whatever room he was in a happier place. He was a big part of mid-week services at St. James. Mike will be missed.

“ As a member of St James, I will always remember Mike with his huge smile on his face and his great sense of humor. We always teased him about his beloved Detroit Lions. He will be greatly missed. Carol Durnik.

“ Sorry to hear of the death of Michael, when I was at St. Bede's as an associate pastor Michael & Bev were so much a part of the active group we had there and continued to share in many ways after I moved on to other parishes. May Jesus' love be with the family and guide you in this loss of a very respected and loving person.

Sorry I cannot be there for the funeral.

“ Our loss and heaven's gain....that's OK but I will miss him. Mike was raised in my neighborhood....south of six mile and east of the University of Detroit. I lived only a few blocks away and saw him often when we were in grade school. We went to different high schools and we met up a bit less frequently. Great to see him when the Boes gang got together. A brilliant man...a great catholic, family man and he could out-sing anyone when needed. John M. Rice

“ Unfortunately, I will not be able to attend any of the services for Mike. I am currently in Tucson, AZ visiting my daughter. I was both shocked and saddened by Mike's passing. I can remember vividly our days at at Catholic Central with the class of 1957. These memories of Mike and the memories of subsequent reunions and monthly gatherings of our classmates will always be cherished. God bless him.

I admired your love of Christ and devotion to Bev. Now you are back with her forever. You truly had le joie de vivre and was the life of the party.

“ God has chosen to call home another of the 'great ones' far too soon...and too soon after the passing of his Beverly. A man of true faith, super intelligence, much accomplishment, great warmth and charisma, and many talents that he shared so generously. Many happy thoughts, good wishes and warm memories accompany Mike on his journey home -- and those same sentiments to his grieving family! Godspeed, friend -- and may God hold you closely in His heart and lovingly in His hand. Fred McEvoy

“ I was in St James Choir with Mike and it was always his booming voice and smile that welcomed me to choir practice each week. I haven't been able to join the choir the past two months and starting back this month is going to just feel wrong without him there. Michael was the heart and soul of our choir group.
