“ So sorry to learn of Jimmy's passing. What a larger than life guy he was! Always looked forward to Jim and Polly's (and all the kids) visits to see me at Shiro. We did have some laughs! Prayers for you all.

“ My brother, my mentor my friend, you fought hard. I will miss you forever but I know you are in a better place and probably chatting up a storm and making friends with everyone as you always do (my friendly, outgoing, brother) making people feel so good about themselves and telling everyone that they are #1. You were and always will be my #1. May you fly high my love, my brother, my friend always in my heart I cherish every memory and minute I have had with you. You were "MAGNIFICENT" you made this world a better place and made everyone feel special when they were with you!! Thank you for being you. You never met a stranger Jimmy

“ I am so sorry about Jim’s passing. Jim and I were close for years. We deer hunted in Gladwin for years. I attended Jim’s pool parties. I helped Jim build a home on a lake in Irish Hills. I said to Jim, I don’t know how to put in a sliding door, he said “here is the directions, get to work”. He was always the life of every party. He would buy shots for everyone in the bowling league. You ever drive US 12 drinking beer in a pickup truck and throw the empties out the rear window into the bed? Jim and I did. I could tell you a lot more stories about Jim and fun. Just ask me.

Love you Jim
