

Margaret Ann Fisk

February 25, 1939 - May 7, 2021

Margaret “Ann” Fisk went to be with the Lord on May 7, 2021. Ann was born to Charles and Emma Schwartz as the oldest sibling of Wayne and Barbara in Fulton, Ohio. She leaves behind a loving husband, a close sister, a forever grateful son and daughter-in-law, and two proud grandchildren.

In high school, she was a student leader and active in student government and band. After graduating from high school, she attended the University of Cincinnati’s Nursing school. As an Honorary Cadet Colonel for the Army and Air Force, she enjoyed leading special events and working alongside her fellow students. At the University of Cincinnati hospital, she was known to captivate patients with games and activities that provided a welcome source of engagement and enjoyment.

In July, 1961, Ann was a gifted and beautiful catch for Ron. She was set to mark 60 years as a wedded soulmate this year. Through 60 years of business ups and downs as well as family challenges and accomplishments, she was a faithful anchor and partner for Ron.

After getting married, she and Ron moved to Denver. Ann continued nursing as a visiting nurse. She worked with underprivileged families and would go after work to help her patients and their families with grocery shopping or other basic needs.

As a mother, she guided Tami and Tim, to excel in school and life and provided them broad experiences that gave them an expansive view of the impact they could have on the world. As a parent, she enjoyed leading groups like a junior high science club that used a full year of recycling to pay for a tour of 100+ kids to go on a weeklong hike into the Grand Canyon. She also spent years researching, experimenting, and shopping for her kids special diets/allergies. This knowledge and experience led to her starting a business that worked with patients to overcome health and dietary challenges, a business she ran for over 15 years.

During all of this, she led the toddler care at Mission Hills Church for 15+ years and she

was so happy when her former toddlers started coming back as teenage helpers. She also delighted in sharing in her adult children's travels as they lived in China, Japan, Africa, Singapore and Thailand, all of which shaped her perspective and interests.

Along with her family, engaging people of all ages and backgrounds was another of her passions. These relationships became family to her and whose successes she celebrated including Isabell pursuing college, the happiness and achievements of Rachel and Steven, the success of a new mother of triplets, and many others she befriended and stood alongside over the years. Also, her group of special friends in Denver were a wonderful source of love, entertainment, support, and unwavering friendship that she both benefitted from and loved.

After nearly 60 years in her beloved "blue sky" Colorado, she moved with Ron to Michigan in 2018 to be closer to Tim and his wife, Kristin, and her grandkids Sam and Annabel who were a tremendous source of love and joy for Ann. Ann also continued developing a wide variety of friends at Fox Run. She applied her daily meditations in "Jesus Calling" to give her wisdom to continue to grow her new set of friends that meant so much to her.

Ann now is with her Savior, Jesus, and with her daughter Tami in heaven and will be there to greet us with a smile and a hug.

“ Billie Mae and I were privileged to know Ann. We can remember those hikes we took together with Ron, the many meals shared together at local restaurants and the times that Ann took Billie shopping. We are saddened by her death but comforted in her being with the Lord. Billie Mae and George Scheuernstuhl

“ In celebration of Ann Fisk's life we remember her love for the Lord, her family and all those she crossed paths with. We first met Ann and Ron after a visit to China, where we met Tami Fisk. Ann and Ron were active in a prayer group of like minded folks praying for China. We enjoyed so many prayer times with Ann and Ron, praying with them and for them. Ann was a gracious hostess - welcoming many into her home for fellowship - bringing people together around the dining table.

We are so thankful for the ministry Ann had with our youngest daughter. When we moved to Colorado for ministry, our 12 yr old daughter was struggling to find her place. Ann was in charge of the nursery at Mission Hills Church and took our struggling daughter under her wing and invited her to serve in the nursery. She encouraged and instructed her- really made a difference in helping her adjust to our new home. Thank you Ann.

What a blessing to know Ann and to share her love for Jesus. We are thankful for the life of love and service Ann lived. You are loved and missed! I look forward to that day when we will all be gathered around the throne, praising our Lord and Savior Jesus Christ.

“ Last week Ann was full of plans for a vegetable garden in a nearby garden plot with a neighbor, and was recommending a book: The Boy, the Fox, the Mole and the Horse. She was considering whether to travel to Colorado. She loved her new friends at Fox Run and was proud to share all of her grandchildren's accomplishments. She enjoyed being with them and Time and Kristin very much. Ann was a marvelous friend whom I will always cherish and look forward to seeing her again in heaven. She once took me on a mushroom festival weekend at Telluride which will always remain a special memory, and we enjoyed hiking in the beautiful Colorado mountains with Ann and Ron.

“ My dear cousin, ANN. For all off the life we can remember our families celebrated holiday and other events together. Ann has always been a favorite; we shared many stories and laughs over the years. A favorite "game" at the time of our leaving for our separate homes was YOU ARE IT!!! A CHILDISH GAME we continued for all of our years. The last time we met for lunch in Naples, Florida I had the waiter bring her a note saying "YOU ARE IT!!! I will always remember her surprise and enjoyable reaction. Rest In Peace, ANN you had a very impressive and significant life unselfishly contributing to the well being others as her obituary testifies.
