“ Anita and family, My deepest condolences are with you all today. I have so many good memories of your mom and dad. Your mom always had a smile on her face and was so kind. I remember her working long shifts at sears, coming to pick you up and being so tired from long day on her feet, still smiling! You were always her world. I hope you find comfort knowing she is with your Dad and has eternal happiness.

Eternal rest, grant unto Margaret O Lord
and let perpetual light shine upon her.
May her soul and the souls of all the faithful departed,
through the mercy of God, rest in peace.
Amen.
All my love! Kim (MacDonald) Groat

“ Seeing Margaret out at any social occasion was always a treat because she was always so very excited to see me and my sister and genuinely cared about what was happening in our lives and so excited to see our growing families. My memories of Margaret go back to childhood and I will so miss our chats and meetings. Rest well, Margaret.

Love,
Andrea (Lemke) Gohl
