“ God's blessings to the Bork Family. What a wonderful family to grow up with on Hazelton street. The memories will be with me forever. Mary Ellen was always kind to me as a kid. When I would make it back to the neighborhood over the years many times we would have nice conversations about her family she was so proud of. She was friends with my mom Penny for what has to be more than 50 years. I know they had fun in the bowling league back in the day. May she rest in peace. Prayers to all. Keith Szajnecki

“ It's very sad to know that dear sweet Mary Ellen has passed on. I worked with Mary Ellen at Ford Motor Company for many years and enjoyed her friendship and spirit so much. Just yesterday I re-read a beautiful birthday card Mary Ellen sent to me years ago with kind and loving thoughts. She and I use to share our granddaughters' adventures as they grew from toddlers to successful women. I will miss Mary Ellen very much. She was truly a special woman. Rest in peace Mary Ellen.

“ I'm really going to miss you grandma! You loved watching me perform on stage and watched every single recital I went to! I was so lucky to have you in the audience and you were even able to make it all the way to NYC to watch me make my Broadway debut in Finding Neverland as Peter Pan. (Me showing you tinker bell in picture!) I will miss dancing the polka with you and showing me how it's done and you singing to me. I have so many memories at your house, playing in the backyard with all my cousins with chalk, watching movies, dying Easter eggs, lots of arts and crafts projects, and Grandma Bork snacks were the best!!! You cared and loved about everybody that came into your life! You are one inspiring lady! I love you grandma!

“ I have fond memories of Mary Ellen. Growing up down the street, her daughter Mary Beth one of my baby sitters and Gary a very good friend!?! She was one of the staples of our neighborhood. Who helped make that area of Dbn. Heights/Detroit a special and great place and time to grow up. I know I also gave her a few opportunities to yell at me too!?! 😊

God please forgive her of her sins, have Mercy on her Soul and bring her to everlasting life!! also please bring peace to her family!! Keith Chance

“ Hello Bork Family! Mary Ellen was one of my Mothers great friends. We had original Bork paintings scattered through our home. With their friendship and our high school my self and my brother and sisters became friends with her kids. It has been and will be great and cherished memories forever. Rest In Peace Mrs Bork.

“ Mary Ellen was a beautiful, strong, and intelligent woman who will be missed. My mother, Alice, and Mary Ellen were good friends who spent each Saturday going to church, shopping and having dinner at their favorite restaurant, Connors. My heartfelt condolences go out to the family.

“ Dear Family of Mary Ellen, I had the opportunity to meet and know Mary Ellen at St. Sabina. We discovered that our children went to the same high school and knew each other. She was delightful and was always sharing stories of her family with me. We also were email buddies for awhile. I marveled at her dedication to being a lector when, after finishing her stroke therapy, she returned to doing the ministry she loved and did so well. I'm sure she will be dearly missed by all whose lives she touched. Rest in peace, Mary Ellen.

“ I am so sorry to hear of Mary Ellen's passing. We worked together at Ford Motor Company and it was always a pleasure to come into the office each day knowing Mary Ellen would be there to greet us with her cheerful smile -- and often her wonderful muffins! She was such a great member of the team and we all missed her after she retired. May God bless her and the entire Bork family.
