

## Paul (Bouf) Bayoff

April 11, 1961 - November 25, 2021

Paul (Bouf) Bayoff, age 60 years, passed unexpectedly on November 25, 2021. He was born April 11, 1961 to the late Dorothy Catherine Amato and Paul Andrew Bayoff. Paul was impossible not to love, bigger than life and made friends wherever he explored. He loved to fish and hunt whether it was for antiques, rocks, rabbits, or friends. Paul's career took him to many destinations opening stores for Little Caesars, a window treatment consultant, realtor, and he was a caregiver.

Paul's passions were to be with friends, whether he was on Walled Lake in Michigan, or various locations in Minnesota or Texas, and his Men's Group in Grayling. He had a special love for his close friends.

He leaves behind two sisters: Tina Sanchez Kaiser (Stephen Kaiser) and Sharon Sanchez Eakes (Billy Ray Eakes); nieces and nephews: Kathryn Stevens, Jonathan & Victoria Kaiser, Lilliann & James Eakes; special friends Carol O'Connell, Dino Grassi, Bob Coolman, Ernie Desmarais (deceased), Jake Price, Minnesota Mike, and Frank (Paco) Janca; and many more dear friends, you know who you are.

A Memorial Service celebrating Paul's Life will be held January 15, 2022 at 11:00 am at O'Brien-Sullivan Funeral Home, 41555 Grand River Avenue, Novi, MI 48375.

Paul's family will receive friends at the funeral home from 10 am until service. Cremation has taken place and burial will be privately held.

“ A good one taken too soon from us. Paul was definitely one of the most interesting people and caring souls I've met. He was family. He was always game for an adventure and I cherish his charisma and story-telling abilities. From road trips to the great “up north” to the Delaware coast and everywhere in between. Many of us are hurting without Paul to brighten up a situation. Still can't believe we have to say goodbye. I'll never forget all the good times and may he rest in peace. -Dana

“ Paul and I were not friends for long but became very close in the short time we knew each other....  
I will miss Paul so much...I will miss our hours long conversations... I will miss laughing with him and trying to find humor in all of our problems....I am so happy that Paul took my advise and went on a couple trips this year. I wish he would have had the chance to go to Madagascar. Maybe one day I'll live his dream for him.  
There are soooo many things I want to say to Paul...  
Thank you for sharing your knowledge and stories with me. I won't forget them...  
Thank you for being my friend....  
My life was better because you were a part of it..  
I will keep you on my mind and in my heart until we meet again my friend...

“ I shared so many crazy memories and adventures with Paul something that was easy to do if you know Paul. I guess one memory that sticks most to me and really made me slow down and appreciate life alot more. We where in Novi and extremely busy 100 things to do and just one day to do them which was any given day for Paul. But out of nowhere he stops at a gas station and asks me to run in and grab a box of moon pies. Which at the moment seemed odd cause their was so much to do but when I returned to the truck he said something I'll never forget He said something as small as those moon pies will make a person's day and your never to busy to put a smile on someone's face. That was the day I met the old man and he was so happy to see Paul and to see he brought moon pies. I guess for someone so busy he always found time for other's. I miss you buddy

“ Paul was my friend. There are two things I miss most about Paul; talking and hunting agates and hanging out on the phone. He spent a lot of time on the road and called often to help pass the time. We would often talk for an hour or more, laying plans for our next adventure.

I will miss him dearly and hope you take some condolence in the fact that he will always be in my thoughts.

Peace and love, my friend.

“ We all still think that Paul will be around in the spring when we get my boat on the water. His passing is surreal, and we all miss him dearly. He was the captain of my boat on many occasions and we will have to give another tribute to him in the spring during a sunset cruise. Rest in peace Paul.
