“ Paul has been a great friend to Gary for about 70 yrs. They met in grade school and followed through high school, college, weddings and beyond. I have had the pleasure of his company for 27 yrs. It is with great sorrow that we lose him from our lives. May he rest in peace. Thoughts, prayers and hugs for comfort to all the family. Gary and Jacki Martindale

“ Anne & Family...So sorry to hear of Paul's passing. I believe the last time we saw both of you was at Aunt Norah's 100th birthday gathering in 2015. The years fly by so quickly. On the bookshelf behind me are photos of our parents, grandparents, aunts, and uncles and other loved ones. When our grandchildren visit with us, I make a point of showing them the pictures. Of course, it is more for me than for them, an acknowledgement of sorts, a silent thank you in my mind for the role they played in our lives, and their efforts to make our lives better for us. Perhaps that is what life is all about. Paul has done the same for his family and friends and his efforts will not be forgotten. God's blessings of peace and comfort to you and your family at this sad time. Bob & Linda Derocha
