

## Richard F. Tisch

November 2, 1964 - June 16, 2020

"Richard F Tisch Jr Age 55 passed away June 16th 2020. His daughter Caitlyn survive him, along with his father Richard, sister Lisa (Mark) Griesemer, brother John and his former wife Diane. Uncle of Justin and Brandon. Rich did amazing things with his hands and would design and build anything he put his mind to and with a quality standard that is hard to find.

Rich also had a longing for the Ocean.

Ever since he was a young man, he was drawn to it and eventually made it his home. He was so happy when he got his residency in Florida in early 2020 it meant the world to him. His favorite hobby that he enjoyed for his entire life was playing the drums and making music, at one point even building and running a small recording studio in Livonia, MI called wrongsideofthetrax."

“ I knew Rich back in his mid-late teens and used to luv watching him hammer his big silver drum set! It was thunderous and he was rocking, and he just loved! I remember him playing at a few parties, and watching some practices with him and Scotty Brayton rocking out! Rich was a super positive, very friendly, inviting kid, and just always laughing growing up!  
This part of Rich will stay with me

“ I first met Rich in grade school. A very friendly nice guy. I had the pleasure to play in a couple different bands with "Dicky". He was a fantastic drummer/musician early on. He was a friend to many. Great smile and sense of humor. Whenever I thought about Rich through the years I smiled. He was a cool person and friend who will be remembered by a lot of people. God bless Dicky.
